## OBJECTIVE

I'm looking to further my career and consolidate my considerable experience by securing full time work in the fields of marketing, education and/or other facets of the wine industry.

## PERSONAL STATEMENT

I have dedicated my life to winemaking and understanding the wines of the world. I am seeking a new direction within this incredible industry that will afford me a new focus for my energy and drive. As is evident from my CV, winemaking has been my passion and I have worked in many different wineries learning as many winemaking techniques possible. I will bring the same passion to any new position that I undertake.

## WORK HISTORY

### Pyramid Valley Vineyard

**Winemaker**

I started at Pegasus Bay as a cellarhand and quickly became one of their winemakers. Pegasus Bay was always my base but was fortunate enough to travel to the Northern Hemisphere to make wine and learn many techniques which became essential to winemaking at Pegasus Bay. At Pegasus I helped create high quality wines and particularly take their Pinot Noir to new heights. I also promoted and marketed Pegasus Bay wines around the world, helping it become the iconic brand that it is today.
